**WEST VIRGINIA TECHNICAL GUIDE  
SECTION III**

**NOTICE NO. 1-09**

**Purpose:** To inform the field of the updated Guidance Documents for West Virginia.

**Electronic Guidance Documents**

The electronic version of the Effects Guidance Documents for Alternative Resource Concerns (WinShrad) has been updated to version 1.5.

**Effective Date:** Upon Receipt

**Filing Instructions:** The document listed above has been updated to reflect changes in practice standard revisions and changes in points allocated to resource concerns. Previous versions of this document should no longer be used for conservation planning. The new version is available in Section III of the eFOTG at: <http://www.nrcs.usda.gov/technical/efotg/>.

Previous versions of this document have been removed from the eFOTG. Please update any version you have saved locally and delete the older working versions. To use the functionality of this document, make sure that macros are enabled when prompted.

If you have any questions or concerns please contact Patrick Bowen, State Resource Conservationist at (304) 284-7579.
